An Echo in the Bone is the eighth novel in the bestselling *Outlander* series by Diana Gabaldon. The novel follows the continuing adventures of Claire Randall and Jamie Fraser, a Scottish Highlander, as they navigate the treacherous waters of the 18th century.

The story begins in 1773, as Claire and Jamie are living on their plantation in North Carolina. They have been reunited after years of separation, and are enjoying a peaceful life with their family. However, their happiness is short-lived, as they are soon caught up in the American Revolutionary War.

Jamie is forced to join the Continental Army, while Claire is left to care for their home and children. As the war rages on, Claire finds herself torn between her love for Jamie and her loyalty to her adopted country.

Meanwhile, Jamie is fighting on the front lines, facing the horrors of war firsthand. He is haunted by the memories of his past, and struggles to come to terms with the violence that surrounds him.

As the war reaches its climax, Claire and Jamie are once again separated. Claire is captured by the British, while Jamie is presumed dead. However, Claire refuses to give up hope, and she sets out on a perilous journey to find her beloved husband.

An Echo in the Bone is a gripping and unforgettable tale of love, adventure, and the indomitable spirit. Diana Gabaldon's writing is both beautiful and evocative, and she brings the 18th century to life with vivid detail and authenticity.

If you are a fan of the *Outlander* series, or if you are simply looking for a well-written and engrossing historical novel, then I highly recommend **An Echo in the Bone**.

Praise for An Echo in the Bone

"Gabaldon's writing is as strong as ever, and her characters are as compelling as always. **An Echo in the Bone** is a must-read for fans of the *Outlander* series, and it is sure to please new readers as well." - *Publishers Weekly*

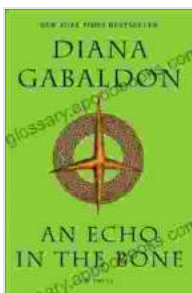

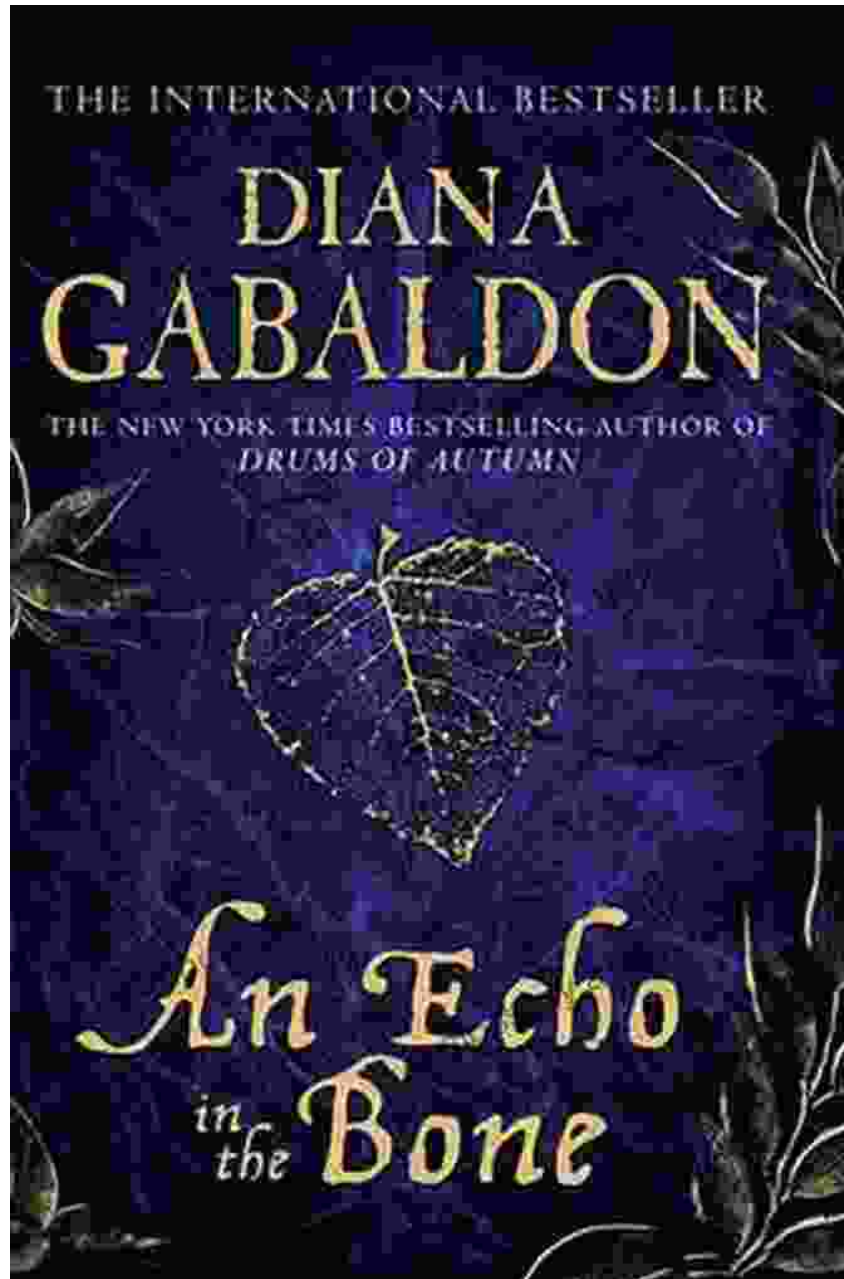

"A sweeping and epic tale, **An Echo in the Bone** is a triumph of historical fiction. Diana Gabaldon has once again created a masterpiece that will stay with readers long after they finish reading it." - *Booklist*

"**An Echo in the Bone** is a powerful and moving novel that explores the complexities of love, war, and the human spirit. Diana Gabaldon is a master storyteller, and this is her best work yet." - *Kirkus Reviews*
