Captain Awesome is excited for a day of snow. He has so many fun things planned, like sledding, building a snowman, and making snow angels.

Captain Awesome puts on his snowsuit and boots and heads outside. The snow is falling heavily, and it's sticking to everything. Captain Awesome takes a deep breath of the cold, fresh air and smiles. He loves the snow.

Captain Awesome starts by sledding down a nearby hill. He goes down the hill again and again, laughing all the way. After a while, he decides to build a snowman. He rolls three big snowballs and stacks them on top of each other. He adds a carrot for a nose, two sticks for arms, and a hat for a head.

Captain Awesome is proud of his snowman. He stands back and admires it for a moment. Then he starts making snow angels. He lies down in the snow and flaps his arms and legs. He makes a beautiful snow angel.

Captain Awesome spends the rest of the day playing in the snow. He has so much fun that he doesn't want to go inside. But eventually, the sun starts to set and it's time to go home.

Captain Awesome walks inside and takes off his snowsuit and boots. He's tired, but he's also happy. He had the best snow day ever.
