

Circles Of Stone: The Mother People - A Journey to the Dawn of Civilization

Circles of Stone: The Mother People is a captivating historical fiction novel by Jean M. Auel that takes readers on a thrilling journey to the dawn of civilization. Set in the Ice Age, the story follows the lives of Ayla, a young woman who is banished from her clan after a tragic accident, and Jondalar, a skilled hunter from another clan. Together, they embark on an epic adventure that will test their limits and forever alter the course of human history.

Auel's meticulous research and vivid writing style bring the prehistoric world to life in stunning detail. Readers will be transported to a time when humans were struggling to survive amidst a harsh and unforgiving environment. They will witness the challenges and triumphs of Ayla and Jondalar as they navigate the treacherous landscape, fend off predators, and build a new life for themselves.

At the heart of **Circles of Stone** is a powerful exploration of women's roles in prehistoric society. Ayla is a strong and independent woman who defies the traditional gender roles of her time. She is a skilled hunter, healer, and artist, and she plays a vital role in the survival of her clan. Through Ayla's story, Auel sheds light on the often-overlooked contributions of women to the development of human civilization.

In addition to its historical and feminist themes, **Circles of Stone** is also a thrilling adventure story. Ayla and Jondalar face numerous challenges as they travel across the prehistoric landscape. They must battle dangerous animals, navigate treacherous terrain, and overcome the prejudices of other clans. Along the way, they form unbreakable bonds and discover the true meaning of love and family.

Circles of Stone: The Mother People is a must-read for fans of historical fiction, adventure, and women's history. It is a powerful and moving story that will stay with readers long after they finish the last page.

Why You Should Read Circles Of Stone: The Mother People

- **Immerse yourself in the prehistoric world:** Auel's vivid writing style and meticulous research bring the Ice Age to life in stunning detail.
- **Experience the challenges and triumphs of prehistoric women:** Follow Ayla's journey as she defies traditional gender roles and plays a vital role in the survival of her clan.

- **Embark on an epic adventure:** Join Ayla and Jondalar as they travel across the prehistoric landscape, facing dangerous animals, treacherous terrain, and the prejudices of other clans.
- **Discover the true meaning of love and family:** Witness the unbreakable bonds that form between Ayla, Jondalar, and their companions.
- **Gain a new perspective on human history:** **Circles of Stone** sheds light on the often-overlooked contributions of women to the development of civilization.

Praise for Circles Of Stone: The Mother People

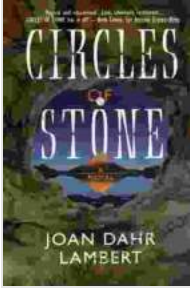

"A sweeping epic that brings the prehistoric world to life. Auel's meticulous research and vivid writing style create a truly immersive experience." - The New York Times

"A powerful and moving story that will stay with readers long after they finish the last page." - Publishers Weekly

"A must-read for fans of historical fiction, adventure, and women's history." - Library Journal

About the Author

Jean M. Auel is an American author best known for her Earth's Children series of historical fiction novels. The series is set in the Ice Age and follows the lives of Ayla, a young woman who is banished from her clan after a tragic accident, and Jondalar, a skilled hunter from another clan. Auel's meticulous research and vivid writing style have earned her praise from critics and readers alike.
