Roach has been working in the fashion industry for over 20 years, so she knows what she's talking about. She's worked as a stylist, editor, and creative director, and she's seen it all. In Fashion Is Spinach, she shares her experiences and insights, giving readers a behind-the-scenes look at the world of fashion.

The book is divided into three parts: "The Business of Fashion," "The Culture of Fashion," and "The Personal Style." In the first part, Roach discusses the different aspects of the fashion industry, from design to production to marketing. She reveals the secrets of how the industry works, and she explains how to get your foot in the door.

In the second part, Roach explores the culture of fashion. She talks about the different fashion tribes, from the preppy to the punk to the bohemian. She also discusses the role of fashion in society, and she explores the ways that fashion can be used to express our individuality.

In the third part, Roach offers advice on how to develop your own personal style. She discusses the importance of finding your own unique look, and she provides tips on how to put together a wardrobe that reflects your personality. She also discusses the importance of dressing for success, and she offers advice on how to make a good impression through your clothing.

Fashion Is Spinach is a must-read for anyone who loves fashion. It's a witty and insightful look at the industry, with plenty of laugh-out-loud moments. Roach's writing is sharp and engaging, and she has a knack for making complex topics easy to understand. Whether you're a fashion insider or a fashion outsider, you'll find something to enjoy in Fashion Is Spinach.
