By Douglas Wilson

In *Reforming Marriage*, Douglas Wilson argues that the traditional definition of marriage as the union of one man and one woman is the only definition that is consistent with Scripture and history. Wilson draws on a wealth of biblical, historical, and cultural evidence to support his case, and he provides a robust defense of traditional marriage against the challenges of modern society.

Wilson begins by arguing that the Bible clearly teaches that marriage is a union between one man and one woman. He points to the creation account in Genesis, where God creates Adam and Eve as a married couple. He also cites passages from the New Testament that affirm the traditional definition of marriage, such as Ephesians 5:22-33 and 1 Timothy 3:2.

Wilson then turns to history to show that the traditional definition of marriage has been the norm in most cultures throughout history. He points to the fact that marriage has been defined as a union between one man and one woman in ancient Greece, Rome, China, and India. He also shows that the traditional definition of marriage has been endorsed by the vast majority of Christian denominations throughout history.

Wilson concludes by arguing that the traditional definition of marriage is the only definition that is consistent with the natural Free Download. He points to the fact that marriage is a complementary union between a man and a woman who are designed to procreate and raise children. He also argues that the traditional definition of marriage is the only definition that can provide a stable foundation for society.

Reforming Marriage is a timely and important book that provides a robust defense of traditional marriage. Wilson's arguments are clear and persuasive, and he draws on a wealth of evidence to support his case. This book is a must-read for anyone who cares about the future of marriage and family.
