Table of Contents

- Chapter 1: The Rise of the Woke Left
- Chapter 2: The Assault on Free Speech
- Chapter 3: The Decline of American Power
- Chapter 4: The Future of Conservatism

Chapter 1: The Rise of the Woke Left

In this chapter, the author examines the rise of the woke left in America. He argues that the woke left is a new form of political correctness that is intolerant of dissenting opinions and seeks to silence anyone who does not agree with its agenda.

The author provides numerous examples of the woke left's intolerance, including the firing of professors for expressing unpopular opinions, the silencing of conservative speakers on college campuses, and the cancellation of businesses for supporting conservative causes.

The author argues that the rise of the woke left is a serious threat to free speech and democracy. He calls on Americans to stand up to the woke left

and defend their right to express their opinions.

Chapter 2: The Assault on Free Speech

In this chapter, the author examines the assault on free speech in America. He argues that free speech is essential for a free and democratic society, and that it is under attack from both the left and the right.

The author provides numerous examples of the assault on free speech, including the government's prosecution of whistleblowers, the censorship of social media platforms, and the passage of laws that criminalize speech that is deemed to be offensive.

The author argues that the assault on free speech is a serious threat to our democracy. He calls on Americans to defend their right to free speech and to fight against any attempts to silence them.

Chapter 3: The Decline of American Power

In this chapter, the author examines the decline of American power. He argues that America is in decline both economically and militarily, and that this decline is due to a number of factors, including the rise of China, the decline of the American middle class, and the erosion of American values.

The author provides numerous examples of America's decline, including the loss of American jobs to foreign countries, the decline of American manufacturing, and the rise of the national debt.

The author argues that America's decline is a serious threat to our national security. He calls on Americans to wake up to the threats facing our country and to take action to restore America's power.

Chapter 4: The Future of Conservatism

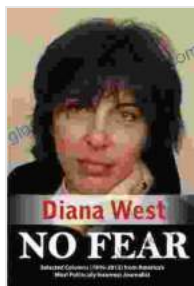

In this chapter, the author examines the future of conservatism. He argues that conservatism is at a crossroads, and that it must adapt to the changing world in Free Download to remain relevant.

The author provides a number of suggestions for how conservatism can adapt to the changing world, including embracing free markets, promoting individual liberty, and defending traditional values.

The author argues that conservatism is the only political philosophy that can save America from decline. He calls on conservatives to unite and to fight for the future of our country.

Selected Columns 1999-2024: From America's Most Politically Incorrect Journalist is a must-read for anyone who wants to understand the challenges facing America today. The author's incisive wit and deep understanding of the issues make this book essential reading for anyone who wants to make a difference in the world.
