

# Starring He, She, and They: A Journey into Gender Identity

In a world where gender is often seen as a binary, black-and-white issue, *Starring He, She, and They* offers a much-needed dose of nuance and complexity. Through the eyes of seven individuals who identify as transgender, non-binary, or genderqueer, the book challenges traditional notions of gender and sheds light on the challenges and triumphs faced by those who dare to live authentically.

The book's subjects come from all walks of life: there's Max, a transgender man who transitioned in his 40s; Jen, a non-binary person who uses they/them pronouns; and Alex, a genderqueer person who identifies as neither male nor female. Each person shares their own unique story of coming to terms with their gender identity, and in ng so, they provide a powerful and moving look at the human experience of gender.

*Starring He, She, and They* is not just a book about gender identity. It is also a book about love, acceptance, and resilience. The subjects of the

book face discrimination and prejudice on a daily basis, but they refuse to let it define them. They are all living proof that it is possible to live a happy and fulfilling life, regardless of your gender identity.

*Starring He, She, and They* is a must-read for anyone who wants to learn more about gender identity. It is a powerful and moving book that will change the way you think about gender.

### **Praise for *Starring He, She, and They***

"*Starring He, She, and They* is a groundbreaking book that challenges traditional notions of gender and sheds light on the challenges and triumphs faced by those who dare to live authentically. The subjects of the book are all heroes, and their stories will inspire you to be more accepting and understanding of others." — Laverne Cox, Emmy Award-winning actress and transgender activist

"*Starring He, She, and They* is a must-read for anyone who wants to learn more about gender identity. It is a powerful and moving book that will change the way you think about gender." — Janet Mock, author of *Redefining Realness*
