Synopsis

In the tumultuous aftermath of the Viking invasion, England is a land divided. The Anglo-Saxons struggle to maintain their way of life, while the Norsemen ruthlessly seek to expand their dominion.

Amidst this chaos, a powerful Viking chieftain, Erik Bloodaxe, sets his sights on a prize that could unite his people and cement his legacy: the hand of Æthelflæd, the beautiful and cunning daughter of the Saxon king.

But Æthelflæd is no ordinary princess. She is a warrior in her own right, fiercely loyal to her people and determined to resist the Viking onslaught. As Erik launches a grand "bride hunt" across the English countryside, Æthelflæd becomes his most elusive and formidable quarry.

As the chase unfolds, these two formidable warriors find themselves drawn into a perilous game of cat and mouse. Battles rage, secrets are revealed, and forbidden love blossoms amidst the turmoil. But can their love survive the treachery and bloodshed that surround them?
