In the tumultuous heart of the Roman Empire, amidst the clash of swords and the whispers of conspiracy, a woman named Livia Drusilla rose from obscurity to become the most powerful woman in the world.

Born into a minor noble family, Livia was destined for a life of obscurity. But from a young age, she displayed an unyielding determination and a keen political mind. When she married Octavian, the future Emperor Augustus, she saw her chance to rise to power.

With her intelligence and cunning, Livia became Augustus's most trusted advisor. She manipulated her way into the imperial family, eliminating her

rivals and securing her position as the emperor's wife. As empress, Livia ruled with an iron fist, ruthlessly crushing any threats to her power.

But Livia's ambition came at a price. She was forced to sacrifice her children, her reputation, and even her own happiness to maintain her grip on the empire. And when Augustus died, she found herself alone and vulnerable, surrounded by enemies who sought to destroy her.

Despite the challenges she faced, Livia's legacy lived on. She was the first empress of Rome, and her influence on the empire was profound. She was a brilliant strategist, a ruthless ruler, and a devoted mother. Her story is a timeless tale of power, love, and betrayal that continues to captivate readers today.

Reviews

"A sweeping historical novel that brings to life the fascinating world of ancient Rome. Livia Drusilla is a complex and unforgettable character, and her story is a gripping tale of ambition, intrigue, and betrayal." —

Publishers Weekly

"A masterful work of historical fiction. The Empress of Rome is a page-turner that will keep you on the edge of your seat from beginning to end."

—Kirkus Reviews

"A must-read for fans of historical fiction and anyone interested in the Roman Empire. The Empress of Rome is a powerful and unforgettable story." —**Booklist**
