She closed her eyes and took a deep breath. She could feel the cool night air on her skin. She could hear the crickets chirping in the trees. She could smell the flowers blooming in the garden. She was surrounded by beauty, but she couldn't feel it. She was lost and alone, and she didn't know how to move on.

Suddenly, she felt a hand on her shoulder. She opened her eyes and saw Ethan standing there. He was smiling at her, and his eyes were full of compassion. "Are you okay?" he asked.

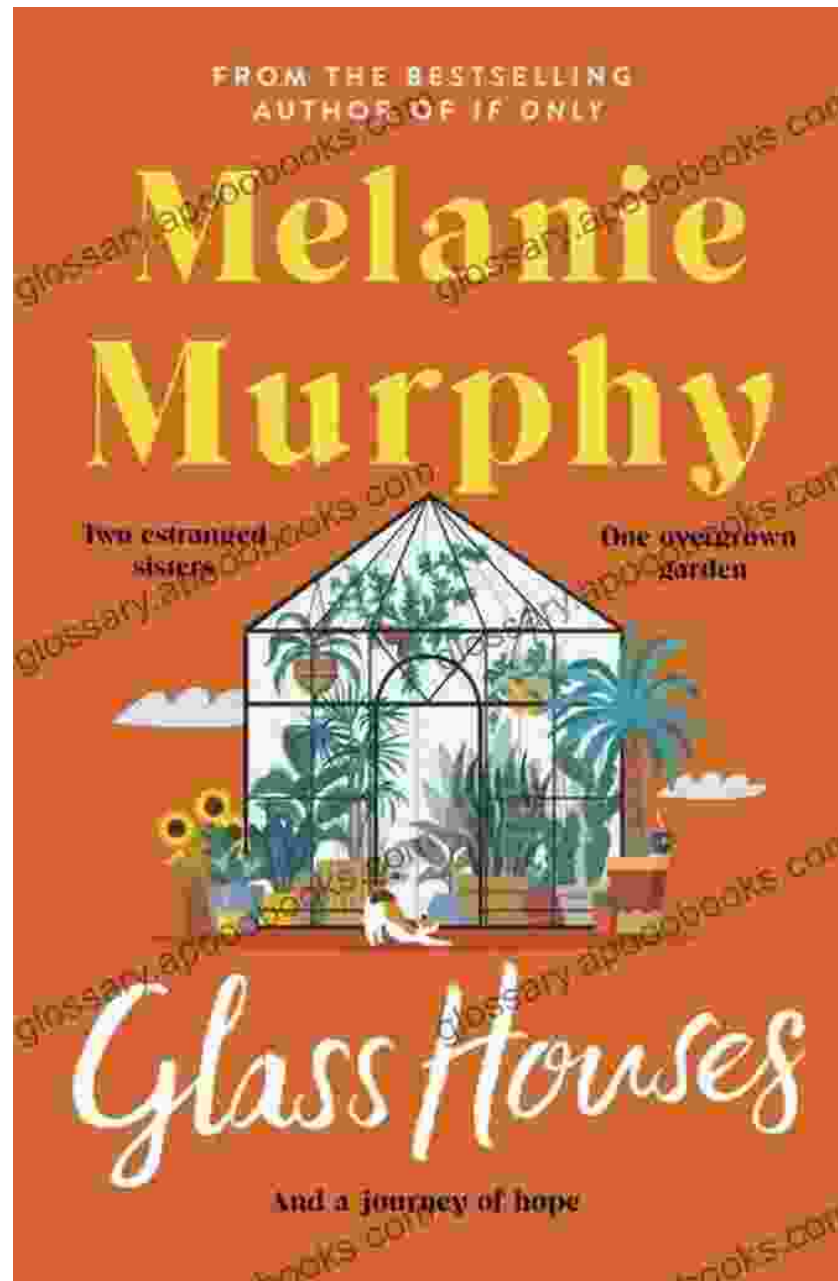

Anya shook her head. "I don't know," she said. "I'm just so lost. I don't know how to move on without him."

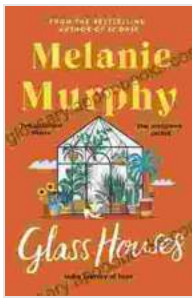

Ethan took her hand. "You don't have to move on without him," he said. "You can move on with him. He'll always be with you, in your heart."

Anya looked up at Ethan, and she saw the truth in his eyes. She knew that he was right. She would never forget her husband, but she could move on with him. She could live a happy and fulfilling life, even without him by her side.”
