12. The Law of Reproduction: It takes a leader to raise up a leader.
13. The Law of Buy-In: People buy into the leader before they buy into the vision.

15. The Law of Priorities: Leaders understand that activity is not necessarily accomplishment.
16. The Law of Sacrifice: A leader's effectiveness is determined by their ability to sacrifice.
17. The Law of Timing: When to lead is as important as what to do and where to go.
18. The Law of Explosive Growth: To add growth, lead followers.
